

25 Prayers for Your Child

What greater gift can we give our children than the gift of prayer? It is a lifetime prayer.

We can teach our little ones that God cares for every aspect of their life. Pray specifically for and with your child each day. Use this special time to teach your child to pray God's word. You can also ask your child to pray for you in specific areas of need.

There is no age limit to begin hiding God's word in our hearts. Even our preschooler can do it. Memorizing Bible verses can be a family project. Why not begin with prayers?

Below are some suggested topics and Bible verses to use for daily prayer. Add your verses to the list.
